Dear Mr. Reed:

On March 28, 2000 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your April 14, 2000 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Your response does not address the discrepancy between the total on Line 11(c), Column A, of the Detailed Summary Page and the sum of the receipts itemized on Schedule A supporting Line 11(c). The total for the former is \$29,750.00, while the sum for the latter is \$24,250.00. These figures should be the same. It appears that page 3 of 6 for Schedule A supporting Line 11(c) was omitted from the original filing of your report. Please correct this discrepancy and file an amendment to your report.

An adequate response must be received at the Commission by May 10, 2000. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions for time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response
